WHY LT10

- Detachable tablet with magnetic charging base - mobile or countertop POS
- Large 8000mA battery enables all-day untethered operation
- Built-in 1D/2D scanner, NFC, and 5MP camera for versatile payment
- 4G LTE for outdoor, pop-up retail, and delivery use cases
- Pogopin base expands connectivity: 3x USB + Ethernet

DISPLAY

Screen Size	10.95 inch IPS
Touch	Capacitive Touch Screen
Resolution	1200 x 2000
Display Area	143 x 239 mm

SYSTEM

CPU	MediaTek G99, Octa-core 2.2 GHz
RAM / Storage	6 GB / 128 GB
OS	Android 16
Battery	8000 mA, 3.8V
Camera	5MP rear (2592x1944, 30fps)
Network	LAN 10/100M Wi-Fi 2.4G & 5G 802.11 b/g/n/ac BT 5.2 4G LTE
I/O (Body)	1x Type-C, 1x SIM slot, 1x TF card slot
I/O (Base)	1x Type-C, 3x USB, 1x RJ45
Speaker	Built-in

FUNCTIONAL MODULES

Scanner	2D: QR, Micro QR, Data Matrix, PDF417, Aztec, Maxicode, etc. 1D: Code128, EAN-13, EAN-8, UPC-E, UPC-A, ISBN, ISSN, Code39, etc.
NFC	ISO/IEC A&B, FeliCa, MIFARE 1K/4K, NFC Forum Types 1-5, ISO/IEC 15693
Camera	5 Megapixel, supports photo and QR code scanning
Pogopin	2x4pin, magnetic attraction, external expansion (bottom + side)

PHYSICAL & ENVIRONMENT

Charging Base	Pogopin magnetic connection, 3x USB + RJ45
Material	Aluminum alloy frame
Color	Silver / Storm gray
Operating Env.	0 ~ 40 C / Humidity 20% - 80%
Storage Env.	-10 ~ 50 C / Humidity 20% - 80%

KEY DIFFERENTIATORS

- Detachable tablet with magnetic charging base - use as mobile or countertop POS
- Large 8000mA battery for all-day untethered operation
- Built-in 1D/2D scanner, NFC reader, and 5MP camera for versatile payment acceptance
- 4G LTE connectivity for outdoor or pop-up retail environments
- Pogopin expansion system with USB and Ethernet on base station
